Young people, (defined as secondary school age or above for the purposes of this policy) are more likely to attend on their own.

Vulnerable adults may attend activities independently and may need additional protection as required.

Definition of a Vulnerable Adult

The Department of Health defines a vulnerable adult as a person aged 18 or over who may need community care services because of a disability (mental or other), age, or illness.

A person is also considered vulnerable if they are unable to look after themselves, protect themselves from harm or exploitation or are unable to report abuse.

This policy includes **Child and Adult Protection Procedures and Whistle Blowing**.

We, the Trustees of IBW Village Hall are committed to ensure that robust safeguards are in place, that policies and procedures are current and fit for purpose, and that complaints are investigated and handled promptly, efficiently, sensitively and without fear or favour.

Safeguarding policies are subject to annual review and the procedures are updated as required. (Guidance from ACRE or UK Government).

Procedures for Safeguarding

Groups and individuals hiring the Hall are responsible for their own safeguarding arrangements. The Trustees responsibility is to ensure that anyone who runs events or activities specifically for children, young people or vulnerable adults maintain the required levels of disclosure, supervision and have appropriate training. Organisers of such activities must disclose those measures to the Trustees of IBW Village Hall upon request. Use of the Hall may be refused where adequate protection for such vulnerable groups cannot be demonstrated.

Groups which serve the under 3, 3-5 and 5-11 age groups will follow the Ofsted guidelines for levels of supervision:
